The amendment filed November 22, 2006 has been entered and made of record as paper no. 1106.

The declaration is objected to because the independent claims added by reissue have been amended to change their scope and therefore correct errors not covered by the original declaration. A supplemental declaration is required to acknowledge that these errors arose without deceptive intent.

Claims 16-43 are objected to because the amendment to the claims filed 11/22/06 is in improper format. Claims added by reissue must be entirely underlined with no strike through or brackets.

Claims 16-43 are rejected under 35 USC 251 as being based on a defective declaration.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
